ABOUT ME

Objective: To get a job working with youth and go to school online. I would like to work online from home or in person at a school or church. Special Ed Paraprofessional is knowledgeable in lesson planning and individualized learning strategies. Looking to bring further success to a school district through behavior management and student engagement. Volunteer Experience or Leadership at the city of Avenal- city events helper, Avenal First Baptist Church - Youth leader and VBS Crew, and Rise Hope Children’s Choir- Founder. I founded a church plant back in 2020 called Rising Hope Neighborhood Church. Until God had other plans back in the fall of 2025, I felt God calling me back to the church plan, so the church called Victory of the Rock Church.. I am also a founder of a youth program called Youth of Hope..
